## **GRAND LODGE HELD**

The 2008 Grand Lodge sessions were held on June 12, 13, & 14 in Wenatchee. Worshipful Master Monaco, Junior Warden Choe and Senior Deacon Donahoe represented the lodge in an outstanding manner. Daylight had submitted three Masonic Code change resolutions and two were accepted. One puts into the Code the recent Grand Master's yearly letters granting permission to march in parades, have Masonic Info and CHIPS booths Aprons can be worn at such events. The other will make days of the yearly Grand Lodge sessions just Friday and Saturday instead of Thursday, Friday, and Saturday. This will take effect in 2012 because Grand Lodge has already booked sites that far out in advance.

Worshipful Master Monaco spoke firmly and favorably for both resolutions and also was outspoken in his opposition to proposals supported in particular by the Grand Lodge elected officers. One that would have required a Master-elect to pass a test before being installed. The two resolutions that would have required - for the first time in 150 years - Grand Lodge saying who could and could not be Master of a lodge were soundly defeated. Worshipful Master Monaco was successfully installed as Grand Sword Bearer as was our new Deputy in District No. 5 V.:W.: Mike Cuadra. Our new Grand Master is M.:W.: Douglas Tucker from Spokane and our own R.:W.: Gale Kenney became Deputy Grand Master. The new Junior Grand Warden is Michael Sanders from Vancouver.

With the Daylighters, Morgan was official Fellowship Dinner table host for Fletcher, M.:W.: Robert Richmond, Grand Master of Oregon and M.:W.: Jack Marden, Grand Secretary of New Hampshire. All at the table including David Choe had a good time and the young Daylighters were regaled with stories and tales.

The annual Fremont Fair was held pm June 21 and 22. University, Doric, Green Lake and Queen Anne Lodges all helped Daylight in support of the Masonic Information Booth this year. The event was packed, it seemed like even more people than last year and the Information Booth was very busy. The brethren at the booth were busy each day answering questions about Masonry. Ten young men asked about attending the installation and have been invited. As always David Choe was behind the camera so he is not in the pictures which follow.
