DAYLIGHT LODGE No. 232

TRESTLEBOARD

www.daylightmasons.org

Our vision - Daylight Lodge will be recognized as a leader in the future of Masonry; it will support and espouse the Arts, a keystone to our structure; leverage our dynamic community presence in this passion. It will set an unparalleled standard of excellence in ritual work.

2010 INSTALLATION OF OFFICERS - JULY 10TH

Our recently newly installed Grand Master, Most Worshipful G. Santy Lascano assisted by PGM M.:W.: Gale Kenny, PGM and other Grand Lodge team members will install the officers elected on June 26 the serve Daylight for the 2010/2011 Masonic Year. Franklin Donahoe will be installed as Master, Erik Hill as Senior Warden, Sam Ali and Junior Warden. V.:W.: Jim Maher will continue on as Treasurer and W.: Anthony Monaco will attempt another year as Secretary. Shown below is a complete list of the appointed officers.

Retiring Worshipful Master David Choe will set the Lodge to work for the purpose of the installation at 10:00 a.m. It will of course be an open public ceremony so bring your friends and possible interested men. As has become tradition after the installation there will be picnic type celebration in the Center of the Known Universe at V.:W.: Morgan's home in Fremont.

JULY 17TH - STATED MEETING

Newly installed Worshipful Master Franklin Donahoe will open his first stated meeting on July 17th with his new corps of officers ready and able to continue the excellent ritual work that has marked the lodge's reputation for the last six or more years. Worshipful Master Donahoe will present the brethren his goals and plans for adding more to Daylight's record of achievement. During the coming year he hopes to see the lodge achieve a solid financial position; establish a new program to replace the Mentor Dinners; also maintain a strong leadership presence in the District 5 LOMA and also encourage the members to become involved as Masons in the community. Most importantly he intends to continue to follow in footsteps of the solid objectives that his recent predecessors have so wisely and strongly established.

He is firmly committed to making Daylight Lodge the number one amongst a group of outstanding Seattle lodge's. His statement was, with every young brother doing just one percent extra Daylight will achieve and exceed those modest goals and without argument be First Among Firsts.

He also has announced that the July 17th meeting attired will be casual, jeans, shorts, a light shirt. It may be warm however if the weather continues as it has been the preferred attire may well be woollens. Plan to be one of 30 or 40 brothers at the meeting on July 17th; make attendance an important part of Masonry and the fellowship festiveboard an important part of Daylight. Remember we have a new Junior Warden so the question of course will be "What will lunch be like?"

The officers that Brother Donahoe has appointed for the coming year are:

Senior Deacon	-	Jon Alcantara
Junior Deacon-		Matt Kirk
Chaplain	-	Troy McFarland
Marshal	-	Chris Rippe
Senior Steward	-	Brain Toba
Junior Steward	-	Vicente Martinez
Musician	-	Alex Jouravlev
Tyler	-	Mitchell Anderson

And there will be installed an officially unofficial Assistant Secretary - W.: David Choe

May and June were busy months for members of Daylight Lodge. W.: Brother Monaco helped Alki Lodge No. 152 with a Master Mason Degree conferral as Musician and sound effects. Worshipful Master Choe and also Brother Franklin Donahoe had shows in the Greenwood Final Art Walk of 2010. W.: Brother Choe could not attend the May 22 District 4 & 5 Reception for Grand Master Kenney because he was at another show opening that same nite. On June 7th W.: Brother Monaco as Master of University Lodge No. 141 was able to greet Grand Master Kenney at the last lodge meeting he attended as Grand Master.

Grand Lodge meeting at Great Wolf near Centralia was held on June 10, 11 and 12. Daylight was well represented. Our Secretary W.: Brother Monaco as Master of University Lodge called the Thursday morning official session to order, Worshipful Master Choe called the afternoon session to order. All three of the lodge's elected officers attended plus V.:W.: Jim Maher on the Finance Committee, V.:W.: Morgan as Grand Historian/Assistant Grand Secretary Emeritus and V.:W.: David Julian as Grand Musician. Brother Richard Rodgers was there as University Lodge Junior Warden and Brother Dean Willard as Senior Warden of Skykomish Lodge. And Senior Deacon Sam Ali rapped up the Daylighters. That is if you don't include Grand Master Kenney and M.:W.: Carl "Bud" Banks, the Grand Master of Nevada who is a member of a couple daylight lodges in that Grand Lodge.

Sadly V.:W.: Julian has announced that because of his health problems he will not be able to serve again as a Grand Musician. V.:W.: Morgan said that at his age he has no intention of ever holding another office. Of course W.: Brother Monaco is taking over from Brother Julian for 2010/2011. That should prove interesting. Grand Lodge was held at Great Wolf this year just north of Centralia. M.:W.: Gale Kenney was presiding. The Daylight resolution held over from last year to give Service Awards starting at 10 years did pass. M.:W.: Brother Gale's Grand Master's Recommendation that Master's elect would have to pass the Proficiency in Lodge Management Test was roundly defeated for the third or fourth time.

The balance of the Grand Lodge officers advances in the expected manner, R.:W.: Michael Sanders to Deputy Grand Master, R.:W.: Dean Heinneman to Senior Grand Warden and our newest member of the Grand Lodge elected officers is R.:W.: Jerry Lingle from the west side of Hoods Canal and Shelton area.

Brethren of the Masonic Craft have always been involved in the community, served in many different parts of civic service including holding many elected offices. The founding fathers of both Washington Territory and Washington State find a long list of Grand Master who held elected offices. Daylight can claim a candidate for the State Legislature this year. Brother Dan Willard has thrown his hat into the ring for Representative in the 5th District. Here's another Mason willing to serve his community.

FREMONT FAIR MASONIC INFORMATION BOOTH REPORT

This year's Fremont Fair was a smashing success, especially on Saturday the 19th but Sunday was a wash-out. Estimated attendance on Saturday was 100,000 people, but it did a typical Seattle downpour about 11:45 Sunday and attendance suffered greatly. The brothers working the Masonic Booth tried to keep and strike count of those they talked to and came up with a total of 98 the first day, about 30 the second but it is guessed that half again as many were not recorded. There were 32 referral card filled out from me interested in Masonry. The cards will be distributed to the Lodges that helped sponsor the booth. Below are pictures of this year's event.

Once again special thanks go to V.:W.: Mike Cuadra for lending the lodge his tent. It was sorely needed on Sunday. In addition to the Daylighters who set-up, took down and generally manned the booth there were brethren for Eureka, University, Doric, Maritime, Green Lake, other several lodges and even some Grand Lodge team members who were present. Junior Warden Erik Hill was over-all coordinator; Sam Ali and Jon Alcantara were the booth coordinators. Both Sam and Jon with the assistance of a couple other brothers emceed the Daylight Waterfront Bandstand giving lots of plugs for Masonry while doing their announcements.

See picture and more below

W.: Brother Monaco and his band recently appeared twice at Seattle's Showbox at Pike Place and also helped support a leukemia fund raiser held at the Swiss in Tacoma. The latter was organized by Brother Erik Hill. They also appeared at the University Street Fair

The ROOTS program every 2nd and 4th Sundays of the month continues to be well supported and an example of Daylight's community involvement. It takes only five people to make it work. Contact Sam Ali for when you can take part.

Bravo to Brother Franklin Donahoe for his long support and involvement in Washington Cash. He and his sister Cynthia make a major Spirit of Washington Cash Award each year to a participant. The purpose of Washington CASH is to provide business training, supportive community and capital to enterprising individual with limited financial resources gain self-sufficiency through small business ownership.

DAYLIGHT RECEIVED THE MARK TWAIN MASONIC AWARENESS AWARD FOR 2009.

It was presented at Grand Lodge by W.: Tom Eastman of Eureka Lodge No. 20. Eureka was a winner of the award last year.

The last visit to a lodge made by M.: W.: Gale Kenney before his Grand Lodge session was to University No. 141, his home lodge. W.: Brother Monaco was honored to greet him in the East for a last time as Grand Master.

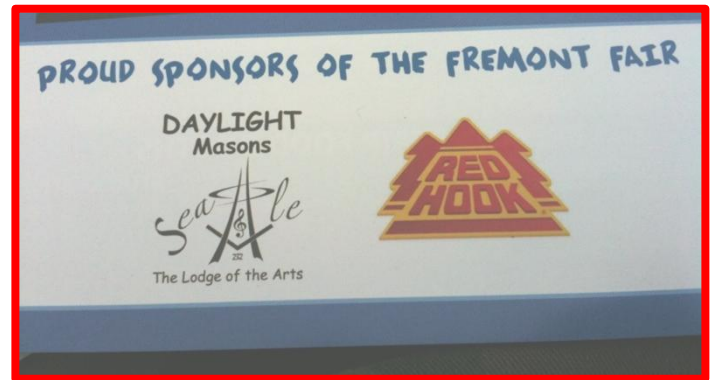

M.:W.: G. Santy Lascano has appointed W.: Brother Monaco to be the new Grand Musician succeeding V.:W.: David Julian. These picture were not from the actual installation but are never-the-less a symbolic passing of the collar from the past to the future,

M.:W.: Kenney has seen *The Phantom* many times. The Deputy Grand Master, Grand Secretary and Senior Grand Warden came properly prepared.

FREMONT FAIR BANNERS

The year the Masonic Info Booth was a success on Saturday. Over 100,000 people attended and the booth was busy answering questions all day long. Over 30 men filled out referral cards. A rough count was kept of the number of men who stopped and inquired or asked questions. It totaled 98 on Saturday, but it is estimated that at least another 1/3rd were not counted. On Saturday the booth was busy up until closing. But Sunday – let's just say it rained.

Much credit must go to Erik Hill as overall coordinator, Sam Ali and Jon Alcantara who were day coordinator and of course all the brethren who help man the booth. Also much credit is given to the brethren that presented the idea of the booth to the different lodges who helped fund and/sponsor the booth. The credit banner that was displayed is shown below.
