Our vision - Daylight Lodge will be recognized as a leader in the future of Masonry; it will support and espouse the Arts, a keystone to our structure; leverage our dynamic community presence in this passion. It will set an unparalleled standard of excellence in ritual work.

STATED MEETING – JUNE 26th ELECTION OF 2010/2011 OFFICERS

Worshipful Master Choe will open his last meeting as Master at the **June 26th Stated Meeting**. Lodge will be opened on the Entered Apprentice Degree at the usual hour of 10:00 a.m. because there are about ten Entered Apprentices waiting on the sidelines to become involved. The number one order of business will be **the election of officers for 2010-2011 year**. It will be just a regular meeting with lots of fellowship to end what has been another outstanding Daylight year. A year that saw the Lodge received the **TWAIN AWARD** from the Masonic Service Association of North American. It is an award that testifies to Daylight's involvement in Masonry and the community. Worshipful Master Choe has shown outstanding leadership for not just this past year in the East but ever since he first became a member. His meetings which he has conducted with a light and friendly hand have been ritualistically excellent because of his dedicated officers

Because of how busy the members are in the month of June, Junior Warden Erik Hill is planning lunch at the Lodge's favorite local restaurant, Rosita's. Remember to put your payment in the basket and pay separately for your own libations. Join your brothers for a day of fellowship and to **thank Worshipful Brother Choe for his first-rate leadership.**

THE FREMONT FAIR IS THIS WEEKEND, JUNE 19TH & 20TH

You are expected to be there. The Masonic Information Booth will be in the same general area as in years past at the west end of the Fair Grounds on 25th street. Booth times will be basically 10:00 a.m. to closing both days. Set up will start at the Morgan House 3952 Evanston N. between 6:30 and 7:00 on Friday night. A serious critique of the operations will follow at Hale's Ale House.

All EA° brothers are reminded that they are expected to work a couple hours in the booth as part of their Lodge proficiency.

Junior Warden Erik Hill has a sign-up schedule, if in doubt contact him at juniwarden@daylightmasons.org. Also check the website for more details.

FREMONT DETAILS CONTINUED

As long time members know, parking can best be described as a B . . . Suggestion, take a #5 or #16 bus from the Northgate Park and Ride lot or #26 or #28 from downtown on 3rd Avenue and along Dexter Avenue to Fremont. Both the #5 & #16 head north from downtown on 3rd Avenue too. Check the King County Metro schedule for more details

Doric will be marching in the Solstice Parade again this year starting at noon Saturday. You are invited to join in the march if you aren't working in the booth. Gather at 9:00 at the Doric Hall. They will be carrying their large working tools in the parade. Join the fun and march with them

Even if you haven't signed up for a specific time, come anyway. There are always lots of balloons to fill; pass out to kids, lots of men to talk to about Masonry. Most of all is the fellowship that comes from so many brothers from different lodges working together to spread the word about Masonry.

ROOTS BREAKFASTS

The ROOTS Breakfast program at the University Methodist Church continues two Sundays a month; Daylighters comprise two teams, Red and Blue who arrive about 6:00 a.m. on the 2nd and 4th Sunday of each month to cook breakfast for up to 25 homeless kids. The church provides them with a bed, showers and two meals. Senior Deacon Sam Ali first proposed that Daylight take on the responsibility of doing the breakfast twice monthly. Most recently one of our new EA^o Brothers Tom Johnson helped out for a first time. His email to the officers and others on Sunday May 30 is below.

Friday nite M.:W.: G. Santy Lascano became our Grand Master. The other officers advanced in traditional manner. R.:w.: Jerry Lingle is our new Junior Grand Warden. He's been urged to come to the Fremont Fair to see if as JGW he can 'superintend the Craft.' W.: Anthony Monaco is the new Grand Musician.

In theater there are 1500 cameras rolling at the same time – in cinema there is only one.

The following came as an email message from one of our newest brothers . . .

Hello Brethren,

I just returned home after my first experience with the ROOTS program. I attended with my fellow EA Evan Trotter and Brother Richard Wright, and let me tell you, what an experience! Being that we were rookies, we made breakfast (pancakes, fried potatoes, OJ, coffee, muffins, cinnamon rolls, sausage) for 28 kids, they were stoked. I can't express how good it feels to be a part of our fraternity and do something good for some great kids that are less fortunate. This was really an uplifting experience, and I hope to be part of more of these functions.

For those of you who go regularly, GOOD JOB! For those of you that haven't gone, DO IT! It's worth every minute.

I know it's early in the morning and on a Sunday, but the good you do for those 2 hours, and the appreciation those kids have for what we are doing makes it all worth while. Being a Mason may be the best thing I have ever done, and I am glad that I can share these kinds of things with my like-minded altruistic Brothers.

Let's keep up the good work,

- EA, Thomas Johnson

This is a brief Trestleboard because I have been at Grand Lodge and doing other things of modest importance. See you at Fremont and you get more the end of the month. – Coe
